

Work With Us!

Join a dynamic team of highly motivated individuals who enjoy working to benefit present and future generations of Californians.

Vision | Regulation | Science

**Delta
Stewardship
Council**

A CALIFORNIA STATE AGENCY

About The Council

We are the creator and primary enforcement body of the science-based management plan for California's Delta, which tackles issues related to **water supply, ecosystem** resilience, and **the Delta as a place**.

Benefits

The State of California offers **generous benefits**, including retirement and savings plans, health and dental insurance, and more. With vacation and sick leave, you will be able to create a flexible schedule that fits your life.

Hybrid Work Environment

The Council offers **office- and remote-centric work solutions**. Our new state-of-the-art high-rise headquarters is located in downtown Sacramento.
