

# Delta Plan and Water Use Efficiency and Conservation

## Delta Plan

- Improve water management information
- Improve groundwater management
- Increase water conservation and expand local and regional supplies
- Improve conveyance and expand storage

## AB 1668 & SB 606

- Develop Indoor and Outdoor Residential Use Standards
- Water Loss Standards
- Implement Urban Water Efficiency Standards
- Adopt appropriate variances

WR R1 Implement Water Efficiency and Water Management Planning Laws  
WR R6 Update Water Efficiency Goals  
WR R16 Supplemental Water Use Reporting
