Subject: Availability of DCP Engineering Product Reports and Technical Memos

Dear DISB members,

The reference section of the Delta Conveyance Project Draft EIR does not have links to the Delta Conveyance Project Engineering Product Reports and associated Technical Memos. The Department of Water Resources staff told me that they are available on the Delta Conveyance Design and Construction Authority website at this link:

<https://www.dcdca.org/info-center/document-library/#Engineering-Project-Reports>

I hope this information is helpful for your review.
