SCIENCE FOR COMMUNITIES WORKSHOP

July 12, 2024

San Joaquin Delta College,
5151 Pacific Ave, Stockton, CA 95207

10:00 AM - 6:00 PM

#sciforcommunities

Event Details:

This is a free, in-person workshop to showcase projects created by inclusive partnerships between scientists, community-based organizations, and members of the public. The goal is for these partnerships to result in research that addresses social-environmental issues in the Sacramento-San Joaquin Delta.

This workshop will:

- Include presentations, discussions, and networking opportunities,
- Build relationships,
- Improve access to environmental data,
- Promote knowledge-sharing and tools to meet community needs,
- Showcase internship opportunities and results from ongoing research projects,
- And more!

[Learn more](#) about the first Science for Communities Workshop, which was held in 2022, and email any questions to sciforcommunities@deltacouncil.ca.gov.

Registration information will be announced in May 2024.
