Subject: Upcoming Council Meeting – May 23, 2024

This month, Council staff will present the results of their risk reduction analysis developed using the Department of Water Resources' (DWR) 2023 Delta Levee Investment Strategy (DLIS) report. The Delta Watermaster, Jay Ziegler, will present on his office's recent activities related to Delta Plan implementation. Finally, the Council will hear a presentation regarding the Pacific Flyway Center Project, which filed a Certificate of Consistency with the Council in 2021. As a way to stay connected with past projects, Council staff have invited a spokesperson from the Pacific Flyway Fund to present on the progress and status of the project to date.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-4500 or [jessica.pearson@deltacouncil.ca.gov](mailto:jessica.pearson@deltacouncil.ca.gov).
