A Notice of Proposed Regulatory Action to amend Code of Regulations, title 23, division 6, chapter 2, sections 5001 to 5015, inclusive, and add section 5005.1 and appendices was published in the California Regulatory Notice Register on March 29, 2024. The proposed regulation amendments implement five core strategies for achieving the coequal goal of protecting, restoring, and enhancing the Delta ecosystem that form the basis of the policies, recommendations, and performance measures in the Delta Plan.

The notice initiated a public comment period that was scheduled to close on May 14, 2024, at 6:00 p.m. An interested party has requested the Delta Stewardship Council (Council) extend the public comment period. The Council hereby extends the public comment period to **Friday, May 17, 2024, at 5:00 p.m.** To ensure the Council will consider your comment, it must be received no later than 5:00 p.m. on May 17, 2024. When commenting, please indicate the proposed rulemaking action to which your

comment refers. Any interested person, or their authorized representative, may submit written comments relevant to the proposed regulatory action to:
