Our upcoming Council meeting will be held at the Park Tower Plaza, 2nd Floor Conference Center, 980 Ninth Street, Sacramento, CA 95814. The agenda and supporting materials for the meeting are attached, and some additional handouts will be provided at the meeting. The October meeting will be a one-day meeting.

On the agenda:

- **Lead Scientist's Report.** Among other items, Dr. Cliff Dahm will provide an overview of the upcoming Bay-Delta Science Conference.
- **2016 Water Year in Review.** With the 2016 water year now concluded, staff from the Department of Water Resources will provide the Council with an update on lessons learned regarding operations, drought management, flood management, and other key topics.
- **Overview of the Delta Protection Commission's Delta Flood Risk Management Assessment District Feasibility Study.** The Delta Protection Commission will brief the Council regarding the status and preliminary recommendations from the Delta Flood Risk Management Assessment District Feasibility Study (Study). The Study will help inform development of the Council's Delta Levees Investment Strategy and is part of implementation of Delta Plan Recommendation RR R2.

As always, time for public comment on these agenda items, as well as any item of relevance to the Council, will be available. If I can answer any questions or provide any information, please contact me at (916) 445-4500 or jpearson@deltacouncil.ca.gov.

"Coequal goals" means the two goals of providing a more reliable water supply for California and protecting, restoring, and enhancing the Delta ecosystem. The coequal goals shall be achieved in a manner that protects and enhances the unique cultural, recreational, natural resource, and agricultural values of the Delta as an evolving place."
