

The Requester is provided a preliminary levee geometry classification analysis developed by the California Department of Water Resources (DWR) under the following disclaimer acknowledgement.

DWR makes no warranties, representations or guarantees either expressed or implied, as to the completeness, accuracy or correctness of the data, nor accepts or assumes any liability arising from any incorrect, incomplete or misleading data as interpreted by Requestor and/or its agents. Requester acknowledges that this data has not been completely reviewed and approved by DWR and is considered preliminary and tentative for future analysis and final decision-making support.

DWR retains all ownership rights of the digital data as well as any derivative works which has as its source the digital data. In exchange for access to this data the Requestor agrees to promptly notify DWR of any and all defects, errors, inaccuracies or any other discrepancies discovered in the data.

The Requestor and DWR agree that this Agreement may only be amended in writing and all comments regarding the data be submitted to DWR FESSRO Delta Levees, Dave Mraz, at 916-651-7017.

Requestor will be provided analysis tables for individual Delta islands, Delta-wide summary tables, assumption and disclaimer language, and maps of islands and the Delta depicting draft levee geometry classifications.
