Location: 7/10/2019-A. 2 YEAR

Summary: Would require the Department of Water Resources to provide at least 10 days' notice to the Joint Legislative Budget Committee and relevant policy and fiscal committees of the Legislature before holding public sessions to negotiate any potential amendment of a long-term water supply contract that is of project-wide significance with substantially similar terms intended to be offered to all contractors. The bill would require the department, before the execution of a specified proposed amendment to a long-term water supply contract and at least 60 days before final approval of such an amendment, to submit to the Joint Legislative Budget Committee and relevant policy and fiscal committees of the Legislature certain information regarding the terms and conditions of a proposed amendment of a long-term water supply contract and to submit a copy of the long-term contract as it is proposed to be amended.

SB 946 (Pan - D) Yolo Bypass Cache Slough Partnership Multibenefit Program

Introduced: 2/21/2020

Last Amend: 3/12/2020

Status: 3/24/2020 9:30 a.m. – SENATE NATURAL RESOURCES AND WATER

Location: 2/20/2020-S. N. R. & W.

Summary: Would establish the Yolo Bypass Cache Slough Partnership Multibenefit Program to support the development and implementation of projects within the Yolo Bypass and Cache Slough region. The bill would define “Yolo Bypass Cache Slough Partnership” to mean the multiagency partnership established pursuant to a memorandum of understanding signed in May 2016 by a total of 15 participating federal, state, and local agencies. The bill would require the participating state agencies, including the Natural Resources Agency, the Department of Water Resources, the Department of Fish and Wildlife, the Central Valley Flood Protection Board, the State Water Resources Control Board, and the Central Valley Regional Water Quality Control Board, to work in collaboration with the participating federal and local agencies to advance specified objectives in the Yolo Bypass and Cache Slough region relating to flood control.

SB 996 (Portantino - D) State Water Board: Constituents of Emerging Concern

Introduced: 2/13/2020

Last Amend: N/A

Status: 4/1/2020 9:30 a.m. – SENATE ENVIRONMENTAL QUALITY

Location: 3/5/2020-S. EQ

Summary: Would require the State Water Resources Control Board to establish by an unspecified date and then maintain an ongoing, dedicated program called the Constituents of Emerging Concern Program to support and conduct research to develop information and, if necessary, provide recommendations to the state board on constituents of emerging concern in drinking water that may pose risks to public health. The bill would require the state board to establish the Stakeholder Advisory Group and the Science Advisory Panel, both as prescribed, to assist in the gathering and development of information for the program, among other functions. The bill would require the program to provide opportunities for public participation, including conducting stakeholder meetings and workshops to solicit relevant information and feedback for development and implementation of the program.

SB 1101 (Caballero - D) Water and Climate Science Advisory Board
