

Delta Stewardship Council: June 2020 Legislative Report
Priority Bills of Interest

AB 2028 (Aguiar-Curry - D) State Agencies: Meetings

Introduced: 1/30/2020

Last Amend: 6/4/2020

Status: 6/9/2020 - SENATE Rules

Location: SENATE Rules

Summary: Existing law, the Bagley-Keene Open Meeting Act, requires that all meetings of a state body, as defined, be open and public, and that all persons be permitted to attend any meeting of a state body, except as otherwise provided in that act. Existing law requires the state body to provide notice of its meeting, including specified information and a specific agenda of the meeting, as provided, to any person who requests that notice in writing and to make that notice available on the internet at least 10 days in advance of the meeting.

This bill would, except for closed sessions, require that this notice include all writings or materials provided for the noticed meeting to a member of the state body by staff of a state agency, board, or commission, or another member of the state body, that are in connection with a matter subject to discussion or consideration at the meeting. The bill would require these writings and materials to be made available on the internet website, and to people who so request in writing, on the same day as they are provided to members of the state body or at least 48 hours in advance of the meeting, whichever is earlier. The bill would provide that a state body may only distribute or discuss these writings or materials at a meeting of the state body if it has complied with these requirements. The bill would except writings or materials relating to matters to be discussed in a closed session from its requirements and would authorize a state body to post and provide additional time-sensitive materials related to certain active legislation, as specified, as they become available, after the prescribed deadlines. The bill would specify that its provisions do not authorize a state body to remove writings and materials from an internet website.

AB 2621 (Mullin - D) Office of Planning and Research: regional climate networks: climate adaptation action plans.

Introduced: 2/20/2020

Last Amend: 6/4/2020

Status: 6/11/2020-Read third time. Passed. Ordered to the Senate. (Ayes 63. Noes 12.) In Senate. Read first time. To Com. on Rules for assignment.

Location: 6/11/2020-SENATE Rules

Summary: This bill would authorize certain local government entities to establish and participate in a regional climate network, as defined, to prepare a regional climate adaptation action plan for certain regions, as described. The bill would authorize membership in each regional climate network to be determined at the local level. The bill would not limit the number of regional climate networks that may be established within each region.

SB 204 (Dodd - D) State Water Project: contracts.

Introduced: 2/4/2019

Last Amend: 5/17/2019

Status: 7/10/2019-Failed Deadline pursuant to Rule 61(a)(10). (Last location was W., P. & W. on 6/6/2019)(May be acted upon Jan 2020)

Location: 7/10/2019-ASSEMBLY 2 YEAR

Summary: This bill would require the Department of Water Resources to provide at least 10 days' notice to the Joint Legislative Budget Committee and relevant policy and fiscal committees of the Legislature before holding public sessions to negotiate any potential amendment of a long-term water supply contract that is of project-wide significance with substantially similar terms intended to be offered to all contractors. The bill would require the department, before the execution of a specified proposed amendment to a long-term water supply contract and at least 60 days before final approval of such an amendment, to submit to the Joint Legislative Budget Committee and relevant policy and fiscal committees of the Legislature certain information regarding the terms and conditions of a proposed amendment of a long-term water supply contract and to submit a copy of the long-term contract as it is proposed to be amended.

SB 946 (Pan - D) Yolo Bypass Cache Slough Partnership Multibenefit Program

Introduced: 2/21/2020

Last Amend: 6/3/2020

Status: SENATE NATURAL RESOURCES AND WATER

Location: 6/3/2020-SENATE N. R. & W.

Summary: This bill would establish the Yolo Bypass Cache Slough Partnership Multibenefit Program to support the development and implementation of projects within the Yolo Bypass and Cache Slough region. The bill would define "Yolo Bypass Cache Slough Partnership" to mean the multiagency partnership established pursuant to a

memorandum of understanding signed in May 2016 by a total of 15 participating federal, state, and local agencies. The bill would require the participating state agencies, including the Natural Resources Agency, the Department of Water Resources, the Department of Fish and Wildlife, the Central Valley Flood Protection Board, the State Water Resources Control Board, and the Central Valley Regional Water Quality Control Board, to work in collaboration with the participating federal and local agencies to advance specified objectives in the Yolo Bypass and Cache Slough region relating to flood control.

SB 996 (Portantino - D) State Water Board: Constituents of Emerging Concern

Introduced: 2/13/2020

Last Amend: 4/1/2020

Status: SENATE Environmental Quality

Location: 3/5/2020-SENATE EQ

Summary: This bill would require the State Water Resources Control Board to establish, maintain, and direct an ongoing, dedicated program called the Constituents of Emerging Concern Program to assess the state of information and recommend areas for further study on constituents of emerging concern in drinking water that may pose risks to public health. The bill would require the state board to establish the Stakeholder Advisory Group and, by an unspecified date, the Science Advisory Panel, both as prescribed, to assist in the gathering and development of information for the program, among other functions. The bill would require the program to provide opportunities for public participation, including conducting stakeholder meetings and workshops to solicit relevant information and feedback for development and implementation of the program.

SB 1101 (Caballero - D) Water and Climate Science Advisory Board

Introduced: 2/19/2020

Last Amend: 3/25/2020

Status: SENATE RULES

Location: 2/19/2020-SENATE Rules

Summary: This bill would require the Department of Water Resources to convene a Water and Climate Science Advisory Board to consist of an unspecified number of members with certain qualifications, appointed by an unspecified method, serving no more than an unspecified number of terms of unspecified length. The bill would require the board to meet an unspecified number of times per year. The bill would require the department to consult with the board when initiating, reviewing, or expanding policies or

guidelines regarding impacts of climate change on water resources. The bill would require the department to establish an internal process for department review of and comment on the work of the board, which shall be made publicly available.

SB 1258 (Stern - D) California Climate Technology and Infrastructure Financing Act

Introduced: 2/21/2020

Last Amend: N/A

Status: 6/11/2020-SENATE APPROPRIATIONS - Suspense

Location: SENATE Appropriations

Summary: This bill would enact the California Climate Technology and Infrastructure Financing Act to require the bank, in consultation with specified agencies to administer the Climate Catalyst Revolving Fund, which the bill would establish to provide financial assistance to eligible climate catalyst projects, as defined.

SB 1320 (Stern - D) Climate change: California Climate Change Assessment

Introduced: 2/21/2020

Last Amend: N/A

Status: 6/11/2020-SENATE APPROPRIATIONS - Suspense

Location: SENATE Appropriations

Summary: This bill would require the Office of Planning and Research to develop the California Climate Change Assessment, in coordination with the Natural Resources Agency, the State Energy Resources Conservation and Development Commission, and the Strategic Growth Council, and in consultation with partner public agencies designated by the office. The bill would require the office to conduct the assessment every 2 years and to publish the assessment in October of each odd-numbered year. The bill would require the assessment to assess and report the impacts and risks of climate change and identify potential solutions to inform legislative policy, as provided. The bill would require the assessment to include sector-specific liability projections that assess the impacts of climate change under varied emissions scenarios for the years 2025, 2030, 2050, and 2100.
