To: Delta Stewardship Councilmembers

From: Jessica R. Pearson, Executive Officer

Subject: Upcoming Council Meeting – July 15 and 16, 2021¹

Our meeting this month is a two-day meeting to conduct a public hearing to consider proposed findings (the Proposed Determination prepared by staff) and to adopt findings pursuant to Water Code section 85225.25 regarding the four appeals of the certification of consistency with the Delta Plan for the Lookout Slough Tidal Habitat Restoration and Flood Improvement Project.

On Thursday, July 15, the Council will hear presentations from Council staff, the Department of Water Resources, the Delta Protection Commission, and the Appellants. On Friday, July 16, the public hearing will recommence, and there will be an opportunity to hear public comments. Council will then consider the Proposed Determination and adopt findings pursuant to Water Code section 85225.25, as required within 60 days of the first hearing by Water Code section 85225.20.
