MEMORANDUM

Date: October 19, 2023

To: Delta Stewardship Councilmembers

From: Jessica R. Pearson, Executive Officer

Subject: Upcoming Council Meeting- October 26, 2023

This month the Council will hear a presentation from Dr. Lisa Wainger on the Delta Independent Science Board's recommendation for the appointment of a Delta Lead Scientist in the interim while the search for the permanent position continues. Additionally, Dr. Laurel Larsen will provide a recommendation to the Council to fill an upcoming vacancy on the Delta Independent Science Board. I am also really looking forward to a long-awaited presentation from a panel on the results of the recent Delta Residents Survey, which was sponsored by the Council and conducted by Dr. Jessica Rudnick. This in-depth survey begins to assess important social indicators including community members' sense of place, well-being, experiences, and attitudes toward environmental and climate change, and civic engagement.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-4500 or jessica.pearson@deltacouncil.ca.gov.
