## Agenda Items

The agenda items listed below may be considered in a different order pursuant to the chair's determination. All times listed on the agenda are approximate. At the discretion of the DPIIC, all items appearing on this agenda, whether expressly listed as action items, may be deliberated upon and may be subject to action. Instructions for providing public comment are available at the end of this notice.

### 1. Dutch Slough Restoration Site Visit (Information Item)

**Estimated Start Time: 10:00 AM, Location: Dutch Slough**

The DPIIC will tour the Dutch Slough Tidal Restoration Project to see an on-the-ground example of ecosystem restoration. DPIIC members will meet at Dutch Slough to tour the site and hear from representatives from the California Department of Water Resources, U.S. Geological Survey, River Partners, U.C. Berkeley, and U.C. Davis.

#### Information for Public Participation

Members of the public are welcome to attend the site tour. All members of the public participating in the tour are responsible for their own transportation to and from the tour, as well as their own food and water. There will be no refreshments or water provided at any time during the tour. Parking will be available behind a locked gate, and members of the public may be asked to carpool with other attendees for the duration of the site tour. The tour will involve driving on gravel roads. **At Dutch Slough, entry gates will be closed by approximately 10:05 AM.** Members of the public will be able to depart when the gates are unlocked at 12:00 PM.

All times listed in the agenda are approximate. To help with planning please email [engage@deltacouncil.ca.gov](mailto:engage@deltacouncil.ca.gov) by 5:00 PM on April 21 if you are planning to attend the tour. On the day of the tour please contact Amanda Bohl at (916) 275-8429 with questions.
