

DELTA LEAD SCIENTIST ASK ME ANYTHING SERIES: SCIENCE LEADERSHIP

November 14, 2022 | 12:00 PM
[REGISTER](#) to attend virtually.

Event Details:

Join Delta Lead Scientist Dr. Laurel Larsen in a conversation with the Delta Stewardship Council's new Deputy Executive Officer for Science, Henry DeBey. Henry will discuss the Delta Science Program's core functions, as defined in the Delta Reform Act of 2009, and highlight near-term priorities. Hear how the Science Program's work promotes collaborative and interdisciplinary science, facilitates independent peer review, and funds management-relevant science. Questions and comments are encouraged!

Recordings of Dr. Larsen's past sessions are available on the Delta Stewardship Council's Instagram, @deltastewardshipcouncil.
