A CALIFORNIA STATE AGENCY

MEMORANDUM

Date: March 16, 2023
To: Delta Stewardship Councilmembers
From: Jessica R. Pearson, Executive Officer
Subject: Upcoming Council Meeting – March 23, 2023

Hosting this month's meeting at Belle Vie Vineyard on Sherman Island in California's Delta is an excellent opportunity to highlight the area. Located at the confluence of the Sacramento and San Joaquin Rivers, Sherman Island serves as the epicenter for various recreation, levee management, subsidence reversal, restoration, and wildlife management activities. The meeting will feature a panel of experts who will highlight Sherman Island from a variety of perspectives and uses.

The meeting will also include an overview of Delta Plan Interagency Implementation Committee activities from Special Assistant for Planning & Science Amanda Bohl. Associate Deputy Executive Officer for Planning & Climate Harriet Lai Ross will present an update on the Council's Delta Adapts climate initiative to summarize recent focus group meetings as well as staff's planned approach to the development of the landscape scenarios and metrics. Delta Independent Science Board (ISB) Chair Dr. Lisa Wainger will share an update on the Delta ISB's recent activities and upcoming workplan.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-4500 or jessica.pearson@deltacouncil.ca.gov.
