## MEMORANDUM

Date: May 15, 2025

To: Delta Stewardship Councilmembers

From: Jessica R. Pearson, Executive Officer

Subject: Upcoming Council Meeting – May 22, 2025

This month, Council staff will present an analysis of estimated flood risk reductions achieved through Department of Water Resources' (DWR) discretionary levee improvement investments over the 2023-2024 reporting year. Council staff used data from the DWR Delta Levees Investment Strategy (DLIS) report presented at the April 24, 2025 Council meeting to update existing risk assessments. The Council will also hear from members of the Delta Independent Science Board on current activities, including a presentation on the recently completed food-webs review.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-5511 or [jessica.pearson@deltacouncil.ca.gov](mailto:jessica.pearson@deltacouncil.ca.gov).
