## MEMORANDUM

Date: January 15, 2026

To: Delta Stewardship Councilmembers

From: Jessica R. Pearson, Executive Officer

Subject: Upcoming Council Meeting – January 22, 2026

Our first meeting of 2026 will include a presentation from Council staff on select Delta Plan Performance Measures. These science-based and peer-reviewed measures track unique aspects of the Sacramento San-Joaquin Delta and help in informing the Council and the public about Delta Plan implementation progress. Additionally, the Delta Watermaster will present critically important water reporting and monitoring efforts in the Delta including updates on the new California Water Accounting, Tracking, and Reporting System and the Delta Measurement Experimental Consortium. His presentation will also include an update on the Bay-Delta Water Quality Control Plan, and proposed projects relevant to the Delta.

If I can answer any questions or provide any other information in advance of the meeting, please contact me at (916) 445-5511 or [jessica.pearson@deltcouncil.ca.gov](mailto:jessica.pearson@deltcouncil.ca.gov).
