

# 2020 Annual Report

Following an **introduction** by Executive Officer Jessica R. Pearson, this year's report highlights major accomplishments as they relate to the three phases of **adaptive management**: *Plan, do, evaluate and respond*.

- **Plan:** Delta Adapts; Science Action Agenda; Science Needs Assessment
- **Do:** Ecosystem Amendment; social science; forums, workshops, and symposia; blogs and research publications; Public Participation Plan
- **Evaluate and Respond:** Council's authority upheld in the Delta, overview of performance measures; Delta Science Proposal Solicitation

It concludes with a section dedicated to **our people**: A spotlight on former Councilmember Randy Fiorini; departures from and arrivals at the Council; and Superior Accomplishment Awards.
