Meet & Greet

## Overview

Please join the Delta Plan Interagency Implementation Committee's Restoration Subcommittee for the third Delta Restoration Forum. Meet ecosystem restoration practitioners leading projects in the Sacramento-San Joaquin Delta and Suisun Marsh and learn about efforts underway, including active and planned projects, funding programs, and opportunities for landowners to implement wildlife-friendly practices. Attendees will hear brief project presentations, network, and share perspectives.

## Agenda

3:00

### Forum Begins

*View project posters and handouts, mingle, network, and play Restoration Forum Bingo.*

### Programs Represented

American Rivers, *Multi-benefit Ecosystem Restoration Projects in the Sacramento-San Joaquin Delta: Paradise Cut, Van Buskirk, Peters Pocket, and Riparian Corridor*

Audubon & The Nature Conservancy, *BirdReturns: A Habitat Incentive Program*

California Department of Water Resources (DWR), *Carbon Sequestration in DWR's Multibenefit Restoration Projects*

Central Valley Regional Water Quality Control Board, *Statewide Restoration General Order (SRGO)/401 Water Quality Certifications*

Delta Stewardship Council, *Delta Stewardship Council Initiatives*

Metropolitan Water District of Southern California, GEI Consultants, Inc., & HydroFocus, *Design Update for the Webb Tract Wetland Restoration Project*

Point Blue Conservation Science, *Projecting the Benefits of Tidal Wetland Restoration in the Delta and Suisun*

Reclamation District 348 New Hope Tract & CA Department of Water Resources, *The Grizzly Slough Floodplain Restoration Project*

Restore the Delta, *Mormon Slough Restoration Project*

San Francisco Estuary Institute & Oregon State University, *Wetlands Regional Monitoring Program*

The Nature Conservancy, *Toward a resilient Delta: Rice and wetlands on Staten Island*

Vollmar Natural Lands Consulting, *Montezuma Wetlands: Beneficial Reuse for Tidal Marsh Restoration*

3:45

## Welcome

### Lightning Talks

*Presenters will share brief presentations describing their projects, with an opportunity for questions and answers.*

Reclamation District 999, *Multi-Benefit Components of the Elk Slough Project*

San Francisco Bay National Estuarine Research Reserve, *Restoring Tidal Marsh and Intact Upland Transition: Goat Island*

Solano County Resource Conservation District & Yolo County Resource Conservation District, *RCDs Partnering with DWR to Steward State-Owned Lands in the Delta*

California Department of Water Resources, *Healthy Rivers and Landscapes and Lookout Slough Tidal Habitat Restoration and Flood Control Project*

California Wildlife Conservation Board & Sacramento-San Joaquin Delta Conservancy, *Upcoming Funding to Support the Delta and Suisun Marsh*

River Partners, *River Partners Tribal Engagement*

5:00
