Subject: Governor's Office of Planning and Research (OPR): Integrated Climate Adaptation & Resiliency Program (ICARP) Updates

Dear Delta ISB members and Delta Lead Scientist,

The Governor's Office of Planning and Research has an Integrated Climate Adaptation & Resiliency Program (ICARP.) I am following ICARP and wanted to forward you the January update. It might be good for at least one Delta ISB member to be on the email list to understand some of the broader picture of how California is addressing climate change.
